He was followed to this city by Mias Mullen, who met him Tuesday and exclaimed when she caught sight of him, "There is the man I want to see." She followed this up with a few motions as if to attack him, which frightened him, and his friends seizing her by the arm, Policeman Jacobson was called and took her to the city jail, where she surren-dered a billy which she had upon her person and which upon her person and which was probably intended to be used in punishing her victim.
